Nail Studio Triples in Size at Palm Plaza

MIAMI BEACH, FL – June 18, 2015 – Have you ever kept your favorite tiny nail salon a secret for fear that the word would get out and you would have to fight for an appointment in their tightly booked schedule? Worry no more because Nail Studio is opening a new larger location in Palm Plaza so tell the world.

Terranova has signed a 5-year lease with Nail Studio for 3,014 square feet at 16927 NW 67th Avenue in Palm Plaza and is projected to open late fall of 2015. The lease was facilitated by Terranova's newest commercial associate Elizabeth Higgins.

The success of Palm Plaza and the salon has allowed Nail Studio to expand their presence and occupy a much larger space. Previously located next to Green Papaya, they will be relocating further down the plaza into the endcap location that is triple the square footage. The larger location has facilitated the addition of more services to the salon's offerings such as more waxing options and the incorporation of a blow dry bar.

"We are extremely excited to assist Mr. Ngyuen in his expansion of Nail Studio in Palm Plaza," says Terranova's commercial associate Elizabeth Higgins who represented the landlord in the deal. "Their success has really been astounding and we hope the new location will be able to better serve the community not only by allowing the salon to take more clients but also by offering more services."

The salon will be joined by a variety of national tenants such as Navarro Discount Pharmacies, Boston Market, Skechers, and Quiznos Subs.
