Gateway Town Center Welcomes Wingstop Inc. to Norwood

MIAMI BEACH, FL – January 11, 2016 – Terranova continuing its quest to bring new tenants to Jacksonville’s Gateway Town Center is spicing up their food scene with the arrival of Wingstop Inc., (WING).

Located at 5290-10 Norwood Avenue, this 1,639 square foot store will mark the 2nd location for this Wingstop franchisee. Store is slated to open by Summer 2016.

“We are so excited to add Wingstop to our tenant mix at Gateway Town Center. Wingstop is among the fastest growing concepts in the nation right now and their arrival to Gateway is allowing us to continue to add much needed food uses to the center, like the Papa John’s store that opened this past November,” says Terranova’s Commercial Leasing Associate Karen Maerovitz who represented the landlord in the deal. “Their new location will offer a

speedy option for the over 400,400 bus passengers passing through allowing them to grab a quick and tasty bite on the way to their next destination.”

Wingstop Inc. was founded in 1994 with a goal to not only serve the world’s greatest chicken wings, but to more importantly take them through a flavor experience. In 1997 they expanded their business to franchising and now operate more than 800 locations throughout the world.

Wingstop joins our ever growing tenant line up of Publix, YouFit Health Club, Subway, Papa Johns, Foot Locker, Hibbett Sports, DTLR and many more. For more information on how you can join Gateway Town Center, please contact commercial associate Karen Maerovitz at 305-695-8700.
