## // SURROUNDING AREA

Known as the City Beautiful, Coral Gables flourishes as the garden city its founders envisioned. Lush, canopy trees line the avenues and Mediterranean architecture decorates the buildings. Coral Gables boasts a unique blend of residential allure, international influence, and a thriving business environment. It is home to a mix of commercial spaces, from modern office buildings to unique boutiques and a cosmopolitan restaurant scene. The city is very desirable to businesses as it is unaffected by seasonal shifts unlike other parts of Florida. It is also close in proximity to Miami International Airport and the Port of Miami to facilitate efficient logistics for business and personal travels.
